"The Crucible", a melodrama by Pulitzer Prize winner, Arthur Miller, will be presented Nov. 19 and 20 in the main auditorium of the Administration Building by the dramatics department.

"The Crucible" is a stirring and accurate account of the seventeenth century witchcraft trials in Salem Village, Mass. It is the story of 19 people who are tried and convicted of having dealings with the devil, of the girls who were their accusers, of John and Elizabeth Proctor, and of John Hale, who signed their death warrants.

Other plays to be presented through-out the year are as follows: Moliere's "Le Misanthrope"—Jan. 13, 14, 15; Our-sler & Fulton's "Behold This Dreamer"—Apr. 8 and 9; Alpha Psi Omega Production Project, "Critics Choice"—May 6 and 7; Night of Student-Produced One-Act Plays—May 18.

AWS to Present Annual Style Show

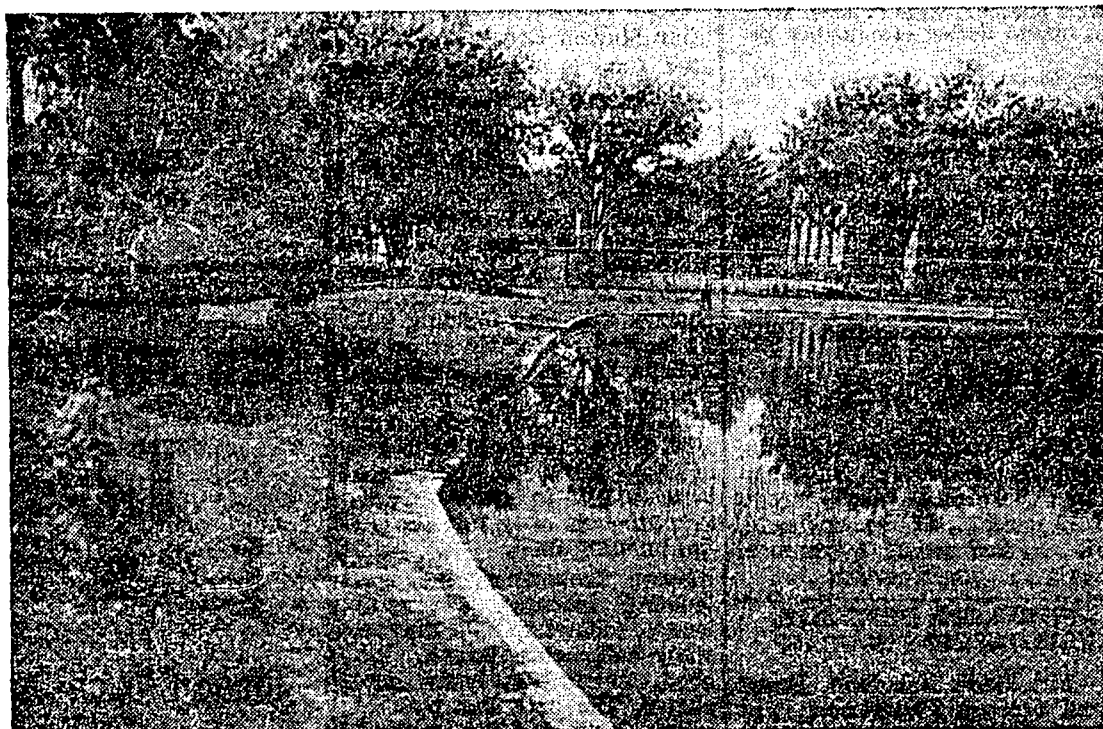

The Annual Fall Style Show sponsored by the Associated Women Students will be Oct. 7, 7:30 p.m., in the college auditorium. Up until last year the style show had been presented solely for the women students; however, again this year the male students are cordially invited and urged to attend. Models will represent the social sororities, fraternities, ISO and residence halls.

"Bubbles, Bangles, Beads" will be the theme carried out in stage decorations and music. Chairman is Karla Bright; co-chairman is Annett Cushing. Admission will be 25 cents. All freshmen students and all faculty and college personnel will be admitted free, courtesy of AWS. Door prizes will be given.

Social Science Club To Meet

The first meeting of the Social Science Club will be held Oct. 12, 1964, at 7:00 p.m. in the Student Union. Mr. S.E.D. Barff O. B. E., a British consul from St. Louis, Mo., will be the guest speaker.

This meeting is not for social science majors or minors only, but for anyone who would like to attend.

Aw, come on, fellers . . . You didn't really see a whale in our pond . . . did you? The MSC pond, after a complete renovating job, including drainage to the bottom, has again become the symbol of campus beauty. Several local lads, like the ones above, found some life yet in the old Bearcat pond.

Parking Rules Inforced Hourly

As vehicles play a big part in the campus life at MSC, students should pay special attention to parking regulations, according to the Parking and Traffic Committee.

Failure to display a permit is a \$2.00 fine. A \$4.00 fine is assessed for driving on a walkway and blocking driveways or walkways. Two dollar fines are also issued for parking in the wrong parking lot, in a fire lane, on a roadway, and in a undesignated area.

Fines are to be paid in the Dean of Students' office. If they are paid within 48 hours, the fine is decreased by one-half the amount indicated. Students wishing to appeal a ticket will pay the fine and petition in writing to the Parking and Traffic Committee.

A student who receives three parking tickets will be subject to disciplinary action, which may include loss of parking privileges, removal of car from the campus or the city of Maryville, or dismissal from college.

Failure to register the car will result in fine or disciplinary action.

Wesley Group
Plans Student
Center Soon

"Our goal is \$80,000.00 by next fall," says Rev. Ray Gass, campus minister and co-ordinator for the new Wesley Foundation Student Center. Assisting Rev. Gass in planning the new building are Dr. R. P. Foster, chairman of the building committee, and Mr. Valk, the architect.

At present the Wesley group, consisting of more than 1,100 Methodist students, has been meeting at the local Methodist church. The new building will be located on Myrtle street at College Drive. The organization purchased the property from the Wabash Railroad in 1960. Since then local churches in the Methodist Conference have pledged to contribute certain amounts of money toward the building fund.

Some features of the new building include a student lounge, fellowship hall, library-study hall, class rooms, kitchen, snack bar, patio, and chapel. The activities planned in which all students are welcomed to participate in are: Sunday evening worship, mid-week vespers, study sessions, non-credited courses, and the usual lounging and studying. There will also be an apartment designed in the building for a full-time resident, who will offer supervision at all times and assist Rev. Gass.

Bearcats Take Second Win Of Season, 19-0; Face William Jewell Cardinals Saturday

Held in check throughout the entire first half of play, the MSC Bearcats exploded for three second half scores to defeat the Peru State Bobcats, 19-0, in Peru, Neb., Saturday night.

The Maryville victory was the second in as many games for Coach Ivan Schottel's Bearcats and marked the second straight game in which MSC's opponents have failed to score. The win also boosted MSC's series record with Peru to 9-8-2. Last year, MSC bombed Peru, 24-6.

Peru fumbled the opening kick-off but moved about 21 yards in two carries before punting on their second series of downs. Mike Peterson cracked for 11 yards and a first-down, but MSC had to punt four plays later.

Late in the first quarter, 'Cat defensive ace, John Flynn, picked off a Peru pass, setting up a 30-yard pass from Leo Papas to Lonnie Irvin to Peru's 32 yard-line. Irvin added 17 more yards on a run, Papas hit Irvin again for seven yards. Mickey Thompson's field goal attempt from the 18 was blocked by Peru.

Coach Schottel employed his number two unit in the second period. The two teams battled scorelessly, most of the action taking place at mid-field. Steve Johnson and Jim Perez threw Peru runners for several losses late in the first half.

Second Half Explosion

MSC, taking the wind advantage, kicked off to start the second half. Peru punted from their 40, and MSC's Mike Peterson, with key blocks from Ron Brumley and Bob Rempe, returned the ball 69 yards. Irvin picked up the first-and-goal on Peru's six. Thompson then went in over left tackle, behind Jim Redd and Dave Ranum. The PAT was wide.

Later in the period, Peru attempted a quick-kick on third down but fumbled. Dick Heinen recovered for MSC. Thompson used three slants over tackle to score, the TD coming from the three yard-line. Peterson kicked the PAT.

Jim Blankenship thrilled about 400 Maryville fans who made the trip to Peru by racing 75 yards to score with 5:41 left in the game. The PAT was wide, closing the main action, although MSC fumbled away

another scoring chance on the Peru 27 yard line near the end of the game.

All three 'Cat units looked strong and used their size to good advantage. Johnson and Ron Beck led the defense.

Statistics—	MSC	Peru
First downs	10	8
Rushing yardage	194	62
Passing yardage	59	70
Intercepted	1	0
Punts	4-16	5-36
Fumbles lost	1	1

BEARCATS' NEXT TEST POWERFUL WM. JEWELL

The MSC Bearcats will host the William Jewell Cardinals Saturday at Memorial Stadium. Game time is 8:00.

Coach Ivan Schottel's 'Cats will be out to avenge a 28-13 setback dealt them by the Cardinals on a rain-drenched field last year. The Card's coach, Norris A. Patterson, lost 17 men from last year's squad by graduation. Among the 17 were All-American speedster Clem Buschmann and the bulk of the interior line. Eight of the departed lettermen came from tackle to tackle with six making first or second team all-conference last year.

Coach Patterson plans to build the backfield around his nephew, Jack Patterson, 6-0, 175. Patterson, a deadly passer, will keep the defense honest while Dan Marcum, 5-10, 195, will keep the ground game going. A possible replacement for buschmann is likely to be John Lively, 5-11, 165. Rounding out the backfield is blocking back, Rich Herz. Both Marcum and Herz were injured in the Card opener against Culver-Stockton and could see only limited action against the Bearcats.

Leading the line will be tackles Steve Thomas and Mike Scrogin. Both tip the scales at 200 and 220 pounds, respectively. The interior line will be experienced, anchored by top-flight ends. Returning to their roles of dangerous pass-catchers are veterans Don Flassing, Charles Case and Steve Phipps.

B-Team Falls To Kirks, 18-6

The Bearcats' reserve football squad under the direction of Coach Bob Gregory are currently idle — nursing the wounds inflicted by the Kirksville Bulldogs' B-team in a game won by the Kirks, 18-6, Sept. 21.

The younger 'Cats now look to their upcoming tilt with Kemper Military Academy Oct. 6 at Rickenbrode Field. The team has been working together regularly and shows a desire to win, according to Coach Gregory. The reserves, comprised of freshmen, have four games slated yet to play.

Schedule

Oct. 6 Kemper Military Academy (here)
Oct. 12 Peru (there)
Oct. 19 Warrensburg (there)
Oct. 27 William Jewell (here)

The Cards will not be without their highly rated place kicker Ray Ritchey. Ritchey, a senior, kicked 27 of 28 last season and has kicked 79 over the past three seasons.

Varsity Swim Team

Any boy that is interested in trying out for the varsity swimming team is asked to meet in the M Club room Wednesday, Oct. 7, at 7 p.m. Louis Dyche is coaching the team.

Intramurals

There are some new and important changes this year in the Intramural Program. At the first intramural meeting, under the supervision of Mr. Tom Mathews, Intramural Director, there were five new regulations voted on and passed for the intramural program.

1. It was suggested that two separate leagues be formed. One league would include the fraternity organizations, and the second league would include the independents.
2. The winning team in both leagues would enter into airplay-off for the all school trophy for that particular sport.
3. It was suggested that the first place winner receive 5 points, second place 3 points, third place 2 points, and fourth place 1 point.

4. The team or organization with the most points at the conclusion of the intramural program shall receive the Supremacy Trophy.
5. The recruiting of athletes from outside fraternal organizations shall be prohibited.

These new changes were made in order for all students to participate and have a more equal chance in the intramural program.

NOTICE
